Item 4. DESCRIPTION OF SECURITIES

Not applicable.

Item 5. INTERESTS OF NAMED EXPERTS AND COUNSEL

Not applicable.

Item 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 145 of the General Corporation Law of the State of Delaware grants each corporation organized thereunder the power to indemnify any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at its request as a director, officer, employee or agent of another corporation or enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), by reason of being or having been in any such capacity, if he acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation,

and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Section 102(b)(7) of the General Corporation Law of the State of Delaware enables a corporation in its certificate of incorporation or an amendment thereto validly approved by stockholders to limit or eliminate the personal liability of its board of directors for violations of the directors' fiduciary duty of care.

Article Seventh of the Restated Certificate of Incorporation of Universal Electronics Inc., as amended, and Article Twelfth of its Amended and Restated By-laws provide that the Company shall indemnify its officers and directors to the full extent permitted by applicable law and that such indemnification shall not be deemed exclusive of any other rights to which any person indemnified may be entitled by law or otherwise. In addition, Article Twelfth of the Restated Certificate of Incorporation of the Company limits the personal liability of its Board of Directors for a breach of the fiduciary duty of care.

The Company has obtained liability insurance on behalf of its directors and officers which provides coverage for certain liabilities and expenses incurred by each director and officer in his capacity as such including certain liabilities under the Securities Act of 1933.

The effect of the foregoing provisions of the General Corporation Law of the State of Delaware, the Restated Certificate of Incorporation, as amended, and the Company's Amended and Restated By-Laws would be to permit such indemnification by the Company for liabilities arising under the Securities Act of 1933.

Item 7. EXEMPTION FROM REGISTRATION CLAIMED

Not applicable.

Item 8. EXHIBITS

See the Exhibit Index at Page E-1 of this Registration Statement.

Item 9. UNDERTAKINGS

A. The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;
 - (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

PROVIDED, HOWEVER, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-3, Form S-8 or Form F-3 and the information

required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Sections 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned registrant undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Sections 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions described under Item 6 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Cypress, State of California, this 26th day of October, 1999.

SECTION 2. ADMINISTRATION.

The Plan shall be administered by the Committee, composed of not less than two directors who are Disinterested Persons, who shall be appointed by the Board and who shall serve at the pleasure of the Board. In the event that a Committee has not been appointed, then the Plan shall be administered by the Board which shall have all of the power and authority of the Committee set forth below until such time as a Committee is appointed. The Committee shall have the power and authority in its sole discretion to grant Awards pursuant to the terms and provisions of the Plan.

In particular, the Committee shall have the full authority, not inconsistent with the Plan:

(a) to select Participants;

(b) to determine whether and to what extent Awards are to be granted

to Participants hereunder;

(c) to determine the number of shares of Stock to be covered by each such Award granted hereunder, but in no case shall such number be in the aggregate greater than that allowed under the Plan;

(d) to determine the terms and conditions of any Award granted hereunder (including, without limitation, (i) the restrictive periods applicable to Restricted Stock Unit Awards and (ii) the performance objectives and periods applicable to Performance Stock Unit Awards);

(e) to waive compliance by a Participant with any obligation to be performed by such Participant under any Award and to waive any term or condition of any such Award (provided, however, that no such waiver shall detrimentally affect the rights of the Participant without such Participant's consent); and

(f) to determine the term and conditions which shall govern all written agreements evidencing the Awards.

The Committee shall have the authority to adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan as it shall, from time to time deem advisable; to interpret the provisions of the Plan and the terms and conditions of any Award issued, expired, terminated, canceled or surrendered under the Plan (and any agreements relating thereto); and to otherwise supervise the administration of the Plan.

All decisions made by the Committee pursuant to the provisions of the Plan and as to the terms and conditions of any Award (and any agreements relating thereto) shall be final and binding on all persons, including the Corporation and the Optionees.

SECTION 3. NUMBER OF SHARES OF STOCK SUBJECT TO PLAN.

The total number of shares of Stock reserved and available for issuance under the Plan shall be three hundred fifteen thousand (315,000). Such shares of Stock may consist, in whole or in part, of authorized and unissued shares of Stock or issued shares of Stock reacquired by the Corporation at any time, as the Board may determine.

To the extent that (a) a Stock Option expires or is otherwise terminated, cancelled or surrendered without being exercised (including, without limitation, in connection with the grant of a replacement option) or (b) any Restricted Stock Unit Award or Performance Stock Unit Award granted hereunder expires or is otherwise terminated or is cancelled, the shares of Stock underlying such Stock Option or subject to such Restricted Stock Unit Award or Performance Stock Unit Award shall again be available for issuance in connection with future Awards under the Plan. Upon the exercise of a Related Stock Appreciation Right (as defined in Section 6 of the Plan), the Stock Option, or the part thereof to which such Related Stock Appreciation Right is related, shall be deemed to have been exercised for the purpose of the limitation on the number of shares of Stock in respect of which the Related Stock Appreciation Right was exercised.

In the event of any merger, reorganization, consolidation, recapitalization, stock dividend, or other change in corporate structure or capitalization affecting the Stock, the Committee in its sole discretion may make an equitable adjustment or substitution in the number and class of shares reserved for issuance under the Plan, the number and class of shares covered by outstanding Awards and the option price per share of Stock Options or the applicable price per share specified in Stock Appreciation Rights to reflect the effect of such change in corporate structure or capitalization on the Stock; provided, however, that any fractional shares resulting from such adjustment shall be eliminated; provided further, however, that if by reason of any such

change in corporate structure or capitalization a Participant holding a Restricted Stock Unit Award or Performance Stock Unit Award shall be entitled, subject to the terms and conditions of such Award, to additional or different shares of any security, the issuance of such additional or different shares shall thereupon be subject to all of the terms and conditions (including restrictions and performance criteria) which were applicable to such Award prior to such change in corporate structure or capitalization; and, provided, further, however, that unless the Committee in its sole discretion determines otherwise, any issuance by the Corporation of shares of stock of any class or securities convertible into shares of stock of any class shall not affect, and no such adjustment or substitution by reason thereof shall be made with respect to, the number or class of shares reserved for issuance under the Plan, the number or class of shares covered by outstanding Awards or any option price or applicable price.

SECTION 4. ELIGIBILITY.

Officers and other key employees of the Corporation, its Subsidiaries and its Related Entities who are responsible for or contribute to the management, growth or profitability of the business of the Corporation, its Subsidiaries or its Related Entities shall be eligible to be granted Awards; provided however, with respect to an employee of a Related Entity, that such person was an employee of the Corporation, a Subsidiary or, if originally an employee of the Corporation or a Subsidiary, or another Related Entity immediately prior to becoming employed by such Related Entity and accepted employment with such Related Entity at the request of the Corporation or a Subsidiary. The Participants under the Plan shall be selected, from time to time, by the Committee, in its sole discretion, from among those Eligible Employees or, as set forth in Section 8 of the Plan, Non-affiliated Directors.

SECTION 5. STOCK OPTIONS.

(a) Grant and Exercise. Stock Options may be granted either alone or in addition to other Awards granted under the Plan. Any Stock Option granted under the Plan shall be in such form as the Committee may, from time to time, approve, and the terms and conditions of Stock Option Awards need not be the same with respect to each Optionee. Each Optionee shall enter into a Stock Option agreement ("Stock Option Agreement") with the Corporation, in such form as the Corporation shall determine, which agreement shall set forth, among other things, the option price of the option, the term of the option and conditions regarding exercisability of the option granted thereunder.

(i) Nature of Options. The Committee shall have the authority to grant any Participant either Incentive Stock Options, Nonqualified Stock Options or both types of Stock Options (in each case with or without Stock Appreciation Rights), except that the Committee shall not grant any Incentive Stock Options to an employee of a Related Entity. Any Stock Option which does not qualify as an Incentive Stock Option, or the terms of which at the time of its grant provide that it shall not be treated as an Incentive Stock Option, shall constitute a Nonqualified Stock Option.

(ii) Exercisability. Subject to such terms and conditions as shall be determined by the Committee in its sole discretion at or after the time of grant, Stock Options shall be exercisable from time to time to the extent of 25% of the number of shares of Stock covered by the Stock Option on and after the first anniversary and before the second anniversary of the date of grant of the Stock Option, to the extent of 50% of the number of shares of Stock covered by the Stock Option, on and after the second anniversary and before the third anniversary of the date of grant of the Stock Option to the extent of 75% of the number of shares of Stock covered by the Stock Option on and after the third anniversary and before the fourth anniversary of the date of grant of the Stock Option, and to the extent of 100% on and

after the fourth anniversary of the date of grant of the Stock Option and before the expiration of the stated term of the Stock Option (or to such lesser extent as the Committee in its sole discretion shall determine at the time of grant or to such greater extent as the Committee in its sole discretion shall determine at or after the time of grant).

(iii) Method of Exercise. Stock Options may be exercised by giving written notice of exercise delivered in person or by mail as required by the terms of any Stock Option Agreement at the Corporation's principal executive office, specifying the number of shares of Stock with respect to which the Stock Option is being exercised, accompanied by payment in full of the option price in cash or its equivalent as determined by the Committee in its sole discretion. If requested by the Committee, the Optionee shall deliver to the Corporation the Stock Option Agreement evidencing the Stock Option being exercised for notation thereon of such exercise and return thereafter of such agreement to the Optionee. As determined by the Committee in its sole discretion at or after the time of grant, payment of the option price in full or in part may also be made in the form of shares of unrestricted Stock already owned by the Optionee (based on the Fair Market Value of the Stock on the date the Stock Option is exercised); provided, however, that in the case of an Incentive Stock Option, the right to make payment of the option price in the form of already owned shares of Stock may be authorized only at the time of grant. The Committee also may allow cashless exercise as permitted under the Federal Reserve Board's Regulation T, subject to applicable securities law restrictions, or by any other means which the Committee determines to be consistent with the Plan's purpose and applicable law. An Optionee shall generally have the rights to dividends or other rights of a stockholder with respect to shares of Stock subject to the Stock Option when the Optionee has given written notice of exercise, has paid in full for such shares of Stock, and, if requested, has made representations described in Section 11(a) of the Plan.

(b) Terms and Conditions. Stock Options granted under the Plan shall be subject to the following terms and conditions and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Committee shall deem desirable.

(i) Option Price. The option price per share of Stock purchasable under a Stock Option shall be determined by the Committee at the time of grant, but shall be not less than 100% of the Fair Market Value of the Stock on the date of the grant; provided, however, that if any Participant owns or is deemed to own (by reason of the attribution rules of Section 424(d) of the Code) more than 10% of the combined voting power of all classes of stock of the Corporation or any Subsidiary when an Incentive Stock Option is granted to such Participant, the option price of such Incentive Stock Option (to the extent required by the Code at the time of grant) shall be not less than 110% of the Fair Market Value of the Stock on the date such Incentive Stock Option is granted.

(ii) Option Term. The term of each Stock Option shall be fixed by the Committee at the time of grant, but no Stock Option shall be exercisable more than ten years after the date such Stock Option is granted; provided, however, that if any Participant owns or is deemed to own (by reason of the attribution rules of Section 424(d) of the Code) more than 10% of the combined voting power of all classes of stock of the Corporation or any Subsidiary when an Incentive Stock Option is granted to such Participant, such Stock Option (to the extent required by the Code at time of grant) shall not be exercisable more than five years from the date such Incentive Stock Option is granted.

(iii) Transferability of Options. Except as otherwise determined by the Committee, no Stock Options shall be transferable by the Optionee otherwise than by will or by the laws of descent and distribution and all Stock Options shall be exercisable, during the Optionee's lifetime, only by the Optionee.

(iv) Option Exercise After Termination by Reason of Death or Disability. If an Optionee's employment with the Corporation, any Subsidiary or any Related Entity terminates by reason of death or Disability, any Stock Options held by such Optionee may thereafter be exercised for a period of one year (or such shorter period as the Committee in its sole discretion shall specify at or after the time of grant) from the date of such termination or until the expiration of the stated term of such Stock Option, whichever period is shorter, to the extent to which the Optionee would on the date of termination have been entitled to exercise the Stock Option (or to such greater or lesser extent as the Committee in its sole discretion shall determine at or after the time of grant). In the event of a termination of employment by reason of death or Disability, if an Incentive Stock Option is exercised after the expiration of the exercise period that applies for purposes of Section 422 of the Code, such Stock Option will thereafter be treated as a Nonqualified Stock Option.

(v) Option Exercise After Termination Without Cause or Due to Constructive Termination. If an Optionee's employment with the Corporation or any Subsidiary is terminated, by the Corporation or such Subsidiary, without "Cause" (as such term is defined within the Stock Option Agreement) or in the event of "Constructive Termination" (as such term is defined within the Stock Option Agreement) of the Optionee's employment with the Corporation or such Subsidiary or if an Optionee's employment with a Related Entity is so terminated, the Committee, in its sole discretion, may permit the Optionee to exercise any Stock Option held by such Optionee, to the extent not theretofore exercised, in whole or in part with respect to all remaining shares covered by the Stock Option at any time prior to the expiration of the Stock Option (or such shorter period as the Committee in its sole discretion shall specify at or after the time of grant), to the extent to which the Optionee would on the date of termination have been entitled to exercise the Stock Option (or to such greater or lesser extent as the Committee in its sole discretion shall determine at or after the time of grant). An Optionee's acceptance of employment, at the request of the Corporation or a Subsidiary, with a Related Entity (or acceptance of employment, at the request of the Corporation or a Subsidiary, with any other Related Entity), shall not be deemed a termination of employment hereunder and any Stock Option held by Optionee may be exercised thereafter to the extent that the Optionee would on the date of exercise have been entitled to exercise such Stock Option if such Optionee had continued to be employed by the Corporation or such Subsidiary (or such initial Related Entity), provided that the Optionee has been in continuous employ with the Related Entity to which such Optionee has moved from the date of acceptance of employment therewith until the date of exercise. In the event of termination of employment by the Corporation, any Subsidiary or any Related Entity without "Cause" or in the event of "Constructive Termination" of the Optionee's employment or the acceptance of employment with a Related Entity, if an Incentive Stock Option is exercised after the expiration of the exercise period that applies for purposes of Section 422 of the Code, such Stock Option will thereafter be treated as a Nonqualified Stock Option.

(vi) Option Exercise After Termination Due to Resignation. If an Optionee's employment with the Corporation, any Subsidiary, or any Related Entity terminates for any reason not set forth in Sections 5(iv) or (v) above, the Committee, in its sole discretion, may permit the Optionee to

exercise any Stock Option held by such Optionee to the extent such Option was exercisable on the date of such termination (or to such greater or lesser extent as the Committee in its sole discretion shall determine at or after the time of grant) for a period of ninety (90) days from the date of such termination (or such shorter period as the Committee in its sole discretion shall specify at or after the time of grant).

(vii) Other Termination. Except as otherwise provided in this Section 5 of the Plan, or as determined by the Committee in its sole discretion, if an Optionee's employment with the Corporation, any Subsidiary or any Related Entity terminates, all Stock Options held by the Optionee will terminate.

(viii) Annual Limit on Incentive Stock Options. To the extent required for incentive stock option treatment under Section 422 of the Code, the aggregate Fair Market Value (determined as of the date of Incentive Stock Option is granted) of the shares of Stock with respect to which Incentive Stock Options granted under the Plan and all other option plans of the Corporation or any Subsidiary become exercisable for the first time by an Optionee during any calendar year shall not exceed \$100,000; provided, however, that if the aggregate Fair Market Value (so determined) of the shares of Stock covered by such options exceeds \$100,000 during any year in which they become exercisable, such options with a Fair Market Value in excess of \$100,000 will be Nonqualified Stock Options.

SECTION 6. STOCK APPRECIATION RIGHTS.

(a) Grant and Exercise. Stock Appreciation Rights may be granted either in conjunction with all or part of any Stock Option granted under the Plan ("Related Stock Appreciation Rights") or alone ("Freestanding Stock Appreciation Rights") and, in either case, in addition to other Awards granted under the Plan. Participants shall enter into a Stock Appreciation Rights Agreement with the Corporation if requested by the Committee, in such form as the Committee shall determine.

(i) Time of Grant. Related Stock Appreciation Rights related to a Nonqualified Stock Option may be granted either at or after the time of the grant of such Nonqualified Stock Option. Related Stock Appreciation Rights related to such an Incentive Stock Option may be granted only at the time of the grant of such Incentive Stock Option. Freestanding Stock Appreciation Rights may be granted at any time.

(ii) Exercisability. Related Stock Appreciation Rights shall be exercisable only at such time or times and to the extent that the Stock Options to which they relate shall be exercisable in accordance with the provisions of Section 5(a)(ii) of the Plan and Freestanding Stock Appreciation Rights shall be exercisable, subject to such terms and conditions as shall be determined by the Committee in its sole discretion at or after the time of grant, from time to time, to the extent that Stock Options are exercisable in accordance with the provisions of Section 5(a)(ii) of the Plan; provided, however, that any Stock Appreciation Right granted to a director or officer of the Corporation shall not be exercisable during the first six months from the date of grant of such Stock Appreciation Rights, except that this additional limitation shall not apply in the event of death or Disability of the director or officer prior to the expiration of the six-month period. A Related Stock Appreciation Right granted in connection with an Incentive Stock Option may be exercised only if and when the Fair Market Value of the Stock subject to the Incentive Stock Option exceeds the option price of such Stock Option.

(iii) Method of Exercise. Stock Appreciation Rights shall be

exercised by a Participant by giving written notice of exercise delivered in person or by mail as required by the terms of any agreement evidencing the Stock Appreciation Right at the Corporation's principal executive office, specifying the number of shares of Stock in respect of which the Stock Appreciation Right is being exercised. If requested by the Committee, the Participant shall deliver to the Corporation the agreement evidencing the Stock Appreciation Right being exercised and, in the case of a Related Stock Appreciation Right, the Stock Option Agreement evidencing any related Stock Option, for notation thereon of such exercise and return thereafter of such agreements to the Participant.

(iv) Amount Payable. Upon the exercise of a Related Stock Appreciation Right, an Optionee shall be entitled to receive an amount in cash or shares of Stock equal in value to the excess of the Fair Market Value of one share of Stock on the date of exercise over the option price per share specified in the related Stock Option, multiplied by the number of shares of Stock in respect of which the Related Stock Appreciation Rights shall have been exercised, with the Committee having in its sole discretion the right to determine the form of payment. Upon the exercise of a Freestanding Stock Appreciation Right, a Participant shall be entitled to receive an amount in cash or shares of Stock equal in value to the excess of the Fair Market Value of one share of Stock on the date of exercise over the price per share specified in the Freestanding Stock Appreciation Right, which shall be not less than 100% of the Fair Market Value of the Stock on the date of Grant, multiplied by the number of shares of Stock in respect of which the Freestanding Stock Appreciation Rights shall have been exercised, with the Committee having in its sole discretion the right to determine the form of payment

(b) Terms and Conditions. Stock Appreciation Rights under the Plan shall be subject to the following terms and conditions and shall contain such additional terms and conditions not inconsistent with the terms of the Plan, as the Committee shall deem desirable.

(i) Terms of Stock Appreciation Rights. The term of a Related Stock Appreciation Right shall be the same as the term of the related Stock Option. A Related Stock Appreciation Right or applicable portion thereof shall terminate and no longer be exercisable upon the exercise, termination, cancellation or surrender of the related Stock Option, except that, unless otherwise provided by the Committee in its sole discretion at or after the time of grant, a Related Stock Appreciation Right granted with respect to less than the full number of shares of Stock covered by a related Stock Option shall terminate and no longer be exercisable if and to the extent that the number of shares of Stock covered by the exercise, termination, cancellation or surrender of the related Stock Option exceeds the number of shares of Stock not covered by the Related Stock Appreciation Right.

The term of each Freestanding Stock Appreciation Right shall be fixed by the Committee, but no Freestanding Stock Appreciation Right shall be exercisable more than ten years after the date such right is granted.

(ii) Transferability of Stock Appreciation Rights. Stock Appreciation Rights shall be transferable only when and to the extent that a Stock Option would be transferable under Section 5(b)(iii) of the Plan.

(iii) Termination of Employment. In the event of the termination of employment of an Optionee holding a Related Stock Appreciation Right, such right shall be exercisable to the same extent that the related Stock Option is exercisable after such termination. In the event of the termination of employment of the holder of a Freestanding Stock Appreciation Right, such right shall be exercisable to the same extent that a Stock Option with the same or substantially similar terms and conditions as such

Freestanding Stock Appreciation Right would have been exercisable in the event of the termination of employment of the holder of such Stock Option.

SECTION 7. RESTRICTED STOCK UNITS AND PERFORMANCE STOCK UNITS.

(a) Grant. Awards of Restricted Stock Units or Performance Stock Units maybe granted either alone or in addition to other Awards granted under the Plan. Each Restricted Stock Unit or Performance Stock Unit represents the right to receive, subject to the terms and provisions of the Plan and any agreements evidencing such Awards, one share of Stock. If the Committee in its sole discretion so determines at the time of grant, a Participant to whom a Restricted Stock Unit Award or Performance Stock Unit Award has been granted may be credited with an amount equivalent to all cash dividends ("Dividend Equivalents") that would have been paid to the holder of such Restricted Stock Unit Award or Performance Stock Unit Award if one share of Stock for every Restricted Stock Unit or Performance Stock Unit awarded had been issued to the holder on the date of grant of such Restricted Stock Unit Award or Performance Stock Unit Award. The Committee shall determine the terms and conditions of each Restricted Stock Unit Award and Performance Stock Unit, including without limitation, the number of Restricted Stock Units or Performance Stock Units to be covered by such Awards, the restricted period applicable to Restricted Stock Unit Awards and the performance objectives applicable to Performance Stock Unit Awards. The Committee in its sole discretion may prescribe terms and conditions applicable to the vesting of such Restricted Stock Unit Awards or Performance Stock Unit Awards in addition to those provided in the Plan. The Committee shall establish such rules and guidelines governing the crediting of Dividend Equivalents, including the timing, form of payment and payment contingencies of Dividend Equivalents, as it may deem desirable. The Committee in its sole discretion may at any time accelerate the time at which the restrictions on all or any part of a Restricted Stock Unit Award lapse or deem the performance objectives with respect to all or any part of a Performance Stock Unit Award to have been attained. Restricted Stock Unit Awards and Performance Stock Unit Awards shall not be transferable otherwise than by will or by the laws of descent and distribution. Shares of Stock shall be deliverable upon the vesting of Restricted Stock Unit Awards and Performance Stock Unit Awards for no consideration other than services rendered or, in the Committee's sole discretion, the minimum amount of consideration other than services or, in the Committee's sole discretion, the minimum amount of consideration other than services (such as the par value of Stock) required to be received by the Corporation in order to assure compliance with applicable state law, which amount shall not exceed 10% of the Fair Market Value of such shares of Stock on the date of issuance. Each such Award shall be evidenced by a Restricted Stock Unit agreement ("Restricted Stock Unit Award Agreement") or Performance Stock Unit Award agreement ("Performance Stock Unit Award Agreement").

(b) Terms and Conditions. Unless otherwise determined by the Committee in its sole discretion:

(i) a breach of any term or condition provided in the Plan, the Restricted Stock Unit Award Agreement or the Performance Stock Unit Award Agreement or established by the Committee with respect to such Restricted Stock Unit Award or Performance Stock Unit Award will cause a cancellation of the unvested portion of such Restricted Stock Unit Award or Performance Stock Unit Award (including any Dividend Equivalents credited in respect thereof) and the Participant shall not be entitled to receive any consideration in respect of such cancellation; and

(ii) termination of such holder's employment with the Corporation, any Subsidiary or any Related Entity prior to the lapsing of the applicable restriction period or attainment of applicable performance objectives will cause a cancellation of the unvested portion of such Restricted Stock Unit Award or Performance Stock Unit Award (including any Dividend Equivalents

credited in respect thereof) and the Participant shall not be entitled to receive any consideration in respect of such cancellation.

(c) Completion of Restriction Period and Attainment of Performance Objectives. To the extent that restrictions with respect to any Restricted Stock Unit Award lapse or performance objectives with respect to any Performance Stock Unit Award are attained and provided that other applicable terms and conditions have been satisfied:

(i) such of the Restricted Stock Units or Performance Stock Units as to which restrictions have lapsed or performance objectives have been attained shall become vested and the Committee shall cause to be issued and delivered to the Participant a stock certificate representing a number of shares of Stock equal to such number of Restricted Stock Units or Performance Stock Units, and, subject to Section 11(a) hereof, free of all restrictions; and

(ii) any Dividend Equivalents credited in respect of such Restricted Stock Units or Performance Stock Units shall become vested to the extent that such Restricted Stock Units or Performance Stock Units shall have become vested and the Committee shall cause such Dividend Equivalents to be delivered to the Participant.

Any such Restricted Stock Unit Award or Performance Stock Unit Award (including any Dividend Equivalents credited in respect thereof) that shall not have become vested at the end of the applicable restricted period or the period given for the attainment of performance objectives shall expire, terminate and be cancelled and the Participant shall not thereafter have any rights with respect to the Restricted Stock Units or Performance Stock Units (or any Dividend Equivalents credited in respect thereto) covered thereby.

SECTION 8. GRANT OF STOCK OPTIONS TO NON-AFFILIATED DIRECTORS.

Each person who is not an employee of the Corporation, any Subsidiary or any Related Entity, who is elected as a director and who is not prior to such election affiliated with the Corporation or otherwise has a similar relationship to the Corporation (a "Non-affiliated Director"), may as of the date of each such election and any subsequent reelection or such other dates as shall be determined by the Committee in its sole discretion, be granted an Award consisting of a Stock Option to purchase shares of Stock for an option price equal to 100% of the Fair Market Value of the Stock on the date of such election or reelection. All such Stock Options shall be designated as Nonqualified Stock Options. A Non-affiliated Director must serve continuously as a Non-affiliated Director of the Corporation for a period of twelve (12) consecutive months from the date such Award is granted before such Non-affiliated Director can exercise any part of such Award. Thereafter, on and after the first anniversary of the date of granting the Award and before the second anniversary, the Non-affiliated Director may exercise the Award with respect to not more than one-third (1/3rd) of the number of shares of Stock covered thereby; on and after the second anniversary and before the third anniversary, the Non-affiliated Director may exercise the Award with respect to not more than two-thirds (2/3rds) of the number of shares of Stock covered thereby; and on and after the third anniversary and before the expiration of the stated term of the Award, which shall be no more than ten years from the date of its granting, the Non-affiliated Director may at any time or from time to time exercise the Award with respect to all or any portion of the shares of Stock covered thereby. If a Non-affiliated Director's service with the Corporation terminates by reason of death or Disability or retirement from active service as a director of the Corporation or if such Non-affiliated Director ceases being a Non-affiliated Director, any Award held by such Non-affiliated Director may be exercised for a period of three years from the date of such termination or until the expiration

of the Award, whichever is shorter, to the extent to which the individual would on the date of exercise have been entitled to exercise the Award if such individual had continued to serve as a Non-affiliated Director. All applicable provisions of the Plan not inconsistent with this Section 8 shall apply to Awards granted to Non-affiliated Directors; provided, however, the Committee may not exercise discretion under any provisions of the Plan with respect to Awards granted under this Section 8 to the extent that such discretion is inconsistent with Rule 16b-3 under the Exchange Act.

SECTION 9. AMENDMENT AND TERMINATION.

The Board may amend, alter, or discontinue the Plan, but no amendment, alteration, or discontinuation shall be made which would impair the rights of a Participant under any Award theretofore granted without such Participant's consent, or which, without the approval of the stockholders of the Corporation (where such approval is necessary to satisfy then applicable requirements of Rule 16b-3 under the Exchange Act, any federal tax law relating to Incentive Stock Options, or applicable state law), would:

(a) except as provided in Section 3 of the Plan, increase the total number of shares of Stock which may be issued under the Plan;

(b) except as provided in Section 3 of the Plan, decrease the option price of any Stock Option to less than 100% of the Fair Market Value on the date of the grant of the Option;

(c) change the class of employees eligible to participate in the Plan; or

(d) extend (i) the period during which Stock Options may be granted or (ii) the maximum period of any Award under Sections 5(b) (ii) or 6(b) (i) of the Plan.

Except as restricted herein with respect to Incentive Stock Options, the Committee may amend or alter the terms and conditions of any Award theretofore granted, and of any agreement evidencing such Award, prospectively or retroactively, but no such amendment or alteration shall impair the rights of any Optionee under such Award or agreement without such Optionee's consent.

SECTION 10. UNFUNDED STATUS OF PLAN.

The Plan is intended to constitute an "unfunded" plan. With respect to any payments not yet made and due to a Participant by the Corporation, nothing contained herein shall give any such Participant any rights that are greater than those of a general unsecured creditor of the Corporation.

SECTION 11. GENERAL PROVISIONS.

(a) The Committee may require each Optionee purchasing shares of Stock pursuant to a Stock Option to represent to and agree with the Corporation in writing that such Optionee is acquiring the shares of Stock without a view to distribution thereof.

All certificates for shares of Stock delivered under the Plan and, to the extent applicable, all evidences of ownership with respect to Dividend Equivalents delivered under the Plan, shall be subject to such stock-transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the Securities and Exchange Commission, any stock exchange upon which the Stock is then listed or quotation system on which the Stock is admitted for trading and any applicable Federal or

state securities law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

(b) Nothing contained in the Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to stockholder approval if such approval is required, and such arrangements may be either generally applicable or applicable only in specific cases. The adoption of the Plan shall not confer upon any employee of the Corporation, any Subsidiary or any Related Entity any right to continued employment with the Corporation, any Subsidiary or any Related Entity as the case may be, nor shall it interfere in any way with the right of the Corporation, any Subsidiary or any Related Entity to terminate the employment of any of its employees at any time.

(c) Each Participant shall be deemed to have been granted an Award on the date the Committee took action to grant such Award under the Plan or such later date as the Committee in its sole discretion shall determine at the time such grant is authorized.

(d) Unless the Committee otherwise determines, each Participant shall, no later than the date as of which the value of an Award first becomes includable in the gross income of the Participant for federal income tax purposes, pay to the Corporation, or make arrangements satisfactory to the Committee regarding payment of, any federal, state or local taxes of any kind required by law to be withheld with respect to the Award. The obligations of the Corporation under the Plan shall be conditional on such payment or arrangements and the Corporation (and, where applicable, its Subsidiaries and its Related Entities) shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the Participant. A Participant (other than a Non-affiliated Director) may elect to have such tax withholding obligation satisfied, in whole or in part, by (i) authorizing the Corporation to withhold from shares of Stock to be issued upon the exercise of a Stock Option or upon the vesting of any Restricted Stock Unit Award or the Performance Stock Unit Award a number of shares of Stock with an aggregate Fair Market Value that would satisfy the withholding amount due, or (ii) transferring to the Corporation shares of Stock owned by the Participant with an aggregate Fair Market Value that would satisfy the withholding amount due. With respect to any Participant who is a director or officer, the following additional restrictions shall apply:

(i) the election to satisfy the tax withholding obligations relating to the exercise of a Stock Option or to the vesting of a Restricted Stock Unit Award or Performance Stock Unit Award in the manner permitted by this subsection (d) shall be made either (x) during the "window period" as described within the Corporation Insider Trading Policy, or (y) at least six months prior to the date on which the amount of tax to be withheld upon the exercise of such Stock Option or the vesting of such Restricted Stock Unit Award or Performance Stock Unit Award is determinable;

(ii) such election shall be irrevocable;

(iii) such election shall be subject to the consent or disapproval of the Committee; and

(iv) such election shall not be made within six months of the date of the grant of such Award.

(e) No member of the Board or the Committee, nor any officer or employee of the Corporation acting on behalf of the Board or the Committee, shall be personally liable for any action, failure to act, determination or interpretation taken or made in good faith with respect to the Plan, and all members of the Board or the Committee and each and any officer or employee of

the Corporation acting on their behalf shall, to the extent permitted by law, be fully indemnified and protected by the Corporation in respect of any such action, failure to act, determination or interpretation.

(f) The Plan is intended to satisfy the conditions of Rule 16b-3 under the Exchange Act, and all interpretations of the Plan shall, to the extent permitted by law, regulations and rulings, be made in a manner consistent with and so as to satisfy the conditions of Rule 16b-3 under the Exchange Act. The phrase "director or officer" as used in the Plan means any director or officer who is subject to the provisions of Section 16(b) of the Exchange Act. Any provisions of the Plan or the application of any provision of the Plan inconsistent with Rule 16b-3 under the Exchange Act shall be inoperative and shall not affect the validity of the Plan.

(g) In interpreting and applying the provisions of the Plan, any Stock Option granted as an Incentive Stock Option pursuant to the Plan shall, to the extent permitted by law, regulations and rulings be construed as, and any ambiguity shall be resolved in favor of preserving its status as, an "incentive stock option" within the meaning of Section 422 of the Code. Once an Incentive Stock Option has been granted, no action by the Committee that would cause such Stock Option to lose its status under the Code as an "incentive stock option" shall be effective as to such Incentive Stock Option unless taken at the request of or with the consent of the Participant. Notwithstanding any provision to the contrary in the Plan or in any Incentive Stock Option granted pursuant to the Plan, if any change in law or any regulation or ruling of the Internal Revenue Service shall have the effect of disqualifying any Stock Option granted under the Plan which is intended to be an "incentive stock option" within the meaning of Section 422 of the Code, the Stock Option granted shall nevertheless continue to be outstanding as and shall be deemed to be a Nonqualified Stock Option under the Plan.

SECTION 12. EFFECTIVE DATE OF PLAN.

The Plan shall be effective May 27, 1998, the date it is approved by the affirmative vote of the holders of a majority of the shares of Stock of the Corporation present in person or by proxy at the meeting of stockholders on that date.

SECTION 13. TERM OF PLAN

No Award shall be granted under the Plan on or after the tenth anniversary of the effective date of the Plan; provided, however, that Awards granted prior to such tenth anniversary may extend beyond that date.

STOCK OPTION AGREEMENT

THIS STOCK OPTION AGREEMENT is made as of the date set forth on the signature page hereof by and between Universal Electronics Inc., a Delaware corporation (the "Corporation") and the undersigned Optionee (the "Optionee"). As used in this Agreement, the term "Corporation" shall include, where applicable, any and all of its subsidiaries.

WHEREAS, the stockholders of the Corporation at the annual shareholder meeting and the Board of Directors of the Corporation (the "Board") have approved the Universal Electronics Inc. 1998 Stock Incentive Plan (the "Plan"); and

WHEREAS, the Corporation desires to grant to the Optionee an option ("Option") to purchase shares of the Corporation's common stock, par value \$0.01 per share (the "Stock"), upon the terms and conditions set forth in this Agreement;

NOW, THEREFORE, the parties, intending to be legally bound, hereto agree as follows:

1. GRANT AND DESIGNATION OF OPTION. Upon the execution and delivery of this Agreement and the related Stock Option Certificate of even date herewith (the "Certificate"), the Corporation hereby grants to the Optionee the Option to purchase the aggregate number of shares of Stock set forth on the Certificate at the price per share ("Option Price") further set forth on the Certificate. The Option granted hereunder shall not be treated as an incentive stock option within the meaning of Section 422A of the Internal Revenue Code of 1986, as amended.

2. TERM AND EXERCISE OF OPTION. Subject to earlier termination, acceleration or cancellation of the Option as provided herein, the term of the Option shall be for that period of time also set forth on the Certificate (the "Option Period") and, subject to the provisions of this Agreement, the Option shall be exercisable at such times and as to such number of shares as determined on the schedule set forth on the Certificate.

3. METHOD OF EXERCISE. The Option may be exercised by written notice to the Corporation (the "Exercise Notice") at its offices at 6101 Gateway Drive, Cypress, California 90630 to the attention of the Secretary of the Corporation. The Exercise Notice shall state (i) the election to exercise the Option, (ii) the total number of full shares in respect to which it is being exercised, and (iii) shall be signed by the person or persons exercising the Option. The Exercise Notice shall be accompanied by the Certificate and a certified or cashier's check for the full amount of the purchase price of such shares, or as may be permitted by the Board, by certificates for shares of Stock which have been owned by the Optionee for more than six months prior to the date of exercise and which have a fair market value of the date of exercise equal to the purchase price, or by a combination of such methods of payment. Upon receipt of the foregoing, the Corporation shall issue the shares of Stock as to which the Option has been duly exercised and shall return the Certificate, duly endorsed to reflect such exercise, to the Optionee.

4. OPTIONEE'S REPRESENTATIONS.

(a) Optionee represents and warrants that any and all shares acquired through the exercise of rights under the Option granted pursuant to this Agreement will be acquired for Optionee's own account and not with a view to, or present intention of, distribution thereof in violation of the Securities Act of 1933, as amended and the rules and regulations promulgated thereunder (the "1933 Act") and will not be disposed of in contravention of the 1933 Act.

(b) Optionee acknowledges that Optionee is able to bear the economic risk of the investment in any and all shares of Stock acquired through the exercise of rights under the Option for an indefinite period of time because the Stock has not been registered under the 1933 Act and, therefore, cannot be sold unless subsequently registered under the 1933 Act or an exemption from such registration is available.

(c) Optionee has reviewed this Agreement and has had an opportunity to ask questions and receive answers concerning the terms and conditions of the offering of Stock and has had full access to such other information concerning the Corporation as Optionee has requested.

5. RESTRICTION ON EXERCISE. This Option may not be exercised if the issuance of such shares upon such exercise or the method of payment of consideration for such shares would constitute a violation of any applicable federal or state securities or other law or regulation. As a condition to the exercise of this Option, the Corporation may require Optionee to make any representation and warranty to the Corporation as may be required by any applicable law or regulation. All exercises of the Option must be for full shares of Stock only.

6. EFFECT OF TERMINATION OF EMPLOYMENT. Except as set forth in Paragraphs 7 and 8 below, in the event that Optionee's employment with the Corporation ceases for any reason, Optionee may (or Optionee's estate or representative, in the event of Optionee's death during the applicable exercise period as set forth in this Paragraph 6), during the earlier of (i) the 180 day period following such cessation of employment or (ii) the remaining term of the Option Period, exercise the Option to the extent such Option was exercisable on the date such employment ceased and, on such date, that portion of the Option which was not exercisable shall automatically terminate without further action by the parties hereto and, in all events, to the extent not exercised, the Option shall terminate in its entirety at the end of business on the applicable exercise period as set forth in this Paragraph 6.

7. EFFECT OF TERMINATION OF EMPLOYMENT WITHOUT CAUSE OR DUE TO CONSTRUCTIVE TERMINATION.

(a) In the event that Optionee's employment with the Corporation is terminated by the Corporation without "Cause" (as such term is defined in subparagraph 7(b) below) or in the event of "Constructive Termination" (as such term is defined in subparagraph 7(c) below), Optionee shall become immediately fully vested in the Option without further action by the parties hereto, and, to the extent not previously exercised, shall be exercisable in whole or in part with respect to all remaining shares of Stock covered by the Option and may be exercised by Optionee (or Optionee's estate or representative, in the event of Optionee's death) at any time prior to the expiration of the Option Period.

(b) For purposes of this Agreement, "Cause" shall mean (i) the willful and continued failure by Optionee to substantially perform Optionee's duties with the Corporation (other than a failure resulting from Optionee's death or "Total Disability" (as such term is defined in subparagraph 7(e) below)) after a demand for substantial performance is delivered to Optionee by the Corporation which specifically identifies the manner in which it is believed that Optionee has not substantially performed Optionee's duties; (ii) the willful engaging by Optionee in gross misconduct materially and demonstrably injurious to the property or business of the Corporation; or (iii) Optionee's commission of fraud, misappropriation or a felony. For purposes of this definition of "Cause", no act or failure to act on Optionee's part will be considered "willful" unless done, or omitted to be done, by Optionee not in good faith and without reasonable belief that Optionee's action or omission was in the interests of the Corporation or not opposed to the interests of the Corporation.

(c) For purposes of this Agreement, "Constructive Termination" shall occur on that date on which Optionee resigns from employment with the Corporation, if such resignation occurs within eighteen (18) months after the occurrence of (i) the failure of Optionee to be elected or re-elected or appointed or reappointed to such office which Optionee holds (other than as a result of a termination for "Cause") if Optionee is an officer of the Corporation and the office which Optionee holds is one to which Optionee is elected according to the Corporation's By-laws; (ii) a change in Optionee's functions, duties, or responsibilities such that Optionee's position with the Corporation becomes substantially less in responsibility, importance, or scope; or (iii) a "Change in Control" (as such term is defined in subparagraph 7(d) below).

(d) For purposes of this Agreement, a "Change in Control" shall be deemed to occur when (i) any "person" or "group" (as such terms are used in Sections 3(a), 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder (the "1934 Act")), other than (1) a trustee or other fiduciary holding securities under any employee benefit plan of the Corporation or (2) a corporation owned directly or indirectly by the stockholders of the Corporation in substantially the same proportions as their ownership of Stock in the Corporation immediately prior to any such occurrence, is or becomes the "beneficial owner" (as defined in Rule 13d-3 under the 1934 Act), directly or indirectly, of securities of the Corporation representing 20% or more of the total voting power of the then outstanding securities of the

Corporation entitled to vote generally in the election of directors (the "Voting Stock"); (ii) individuals who are members of the Board on the date of this Agreement and any individual who becomes a member of the Board hereafter whose nomination for election as a director was approved by the affirmative vote of a majority of such Directors, cease to constitute a majority of the members of the Board; (iii) there occurs a merger or consolidation of the Corporation with any other corporation or entity, other than a merger or consolidation which would result in the Voting Stock of the Corporation immediately outstanding prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) at least 80% of the total voting power represented by the Voting Stock or the voting securities of such surviving entity outstanding immediately after such merger or consolidation; (iv) there occurs a sale or transfer or disposition of all or substantially all of the Corporation's assets to any other corporation or entity, other than a corporation owned directly or indirectly by the stockholders of the Corporation in substantially the same proportions as their ownership of Stock in the Corporation immediately prior to such sale, transfer or disposition; or (v) the dissolution or liquidation of the Corporation.

(e) For purposes of this Agreement, "Total Disability" shall mean an event of illness or other incapacity of Optionee resulting in Optionee's failure or inability to discharge Optionee's duties as an employee of the Corporation for ninety (90) or more days during any period of 120 consecutive days.

8. EFFECT OF TERMINATION OF EMPLOYMENT DUE TO DEATH OR TOTAL DISABILITY. In the event that Optionee's employment with the Corporation ceases or is terminated due to Optionee's death or Total Disability, Optionee (or Optionee's estate or representative, in the event of Optionee's death) may during the earlier of (i) the one (1) year period following such cessation or termination of employment or (ii) the remaining term of the Option Period, exercise the Option to the extent such Option was exercisable on the date such employment ceased or was terminated and, on such date, that portion of the Option which was not exercisable shall automatically terminate without further action by the parties hereto and, in all events, to the extent not exercised, the Option shall terminate in its entirety at the end of business on the applicable exercise period as set forth in this Paragraph 8; provided, however, the Board, in its sole discretion, may approve the full vesting to Optionee (or Optionee's estate or representative, in the event of Optionee's death) in the Option and, in such event, to the extent not previously exercised, the Option shall be exercisable in whole or in part with respect to all remaining shares of Stock covered the Option and may be exercised by Optionee (or Optionee's estate or representative, in the event of Optionee's death) at any time prior to the expiration of the Option Period.

9. RIGHT OF A STOCKHOLDER. Optionee shall not have any rights as a stockholder with respect to any shares of Stock unless and until legended certificates for such shares of such Stock are issued.

10. WITHHOLDING OF TAXES. Whenever the Corporation is required to issue shares of Stock upon exercise hereunder, the Corporation shall have the right to require the recipient to remit in cash (or with the consent of the Board, shares of Stock previously owned by the recipient or

issuable upon such exercise) to the Corporation an amount sufficient to satisfy any federal, state and/or local withholding tax requirements prior to the delivery of any certificate or certificates for such shares of Stock.

11. ADJUSTMENTS. In the event of any change in the outstanding shares of Stock of the Corporation by reason of a stock dividend or distribution, recapitalization, spin-off, merger, consolidation, split-up, combination, exchange of shares or the like, the Board shall adjust the number of shares of Stock which may be issued under the Plan and shall provide for an equitable adjustment of any outstanding Option or shares of Stock issuable pursuant to an outstanding Option under the Plan.

12. COMPLIANCE WITH CERTAIN LAWS AND REGULATIONS. If the Board shall determine, in its sole discretion, that the listing, registration or qualification of the shares subject to the Option upon any securities exchange or under any law or regulation, or that the consent or approval of any governmental regulatory body is necessary or desirable in connection with the granting of the Option or the acquisition of shares thereunder, the Optionee shall supply the Board or the Corporation, as the case may be, with such certificates, representations and information as the Board or the Corporation, as the case may be, may request and shall otherwise cooperate with the Corporation in obtaining any such listing, registration, qualification, consent or approval.

14. ADDITIONAL RESTRICTIONS ON TRANSFER. The certificates representing the Stock purchased upon the exercise of the Option will bear the following legend until such shares of Stock have been registered under an effective registration statement under the 1933 Act:

The securities represented by this certificate were originally issued on _____, 19____, have not been registered under the Securities Act of 1933, as amended, or under the securities laws of any state or other jurisdiction (together, the "Securities Laws") and may not be offered for sale, sold or otherwise transferred or encumbered in the absence of compliance with such Securities Laws and until the issuer hereof shall have received from counsel acceptable to issuer a written opinion reasonably satisfactory to issuer that the proposed transaction will not violate any applicable Securities Laws.

15. NOTICES. Any notice or demand provided for in this Agreement must be in writing and must be either personally delivered, delivered by overnight courier, or mailed by first class mail, to the Optionee at Optionee's most recent address on file in the records of the Corporation, to the Corporation at the address set forth or established pursuant to Paragraph 3 or to such other address or to the attention of such other person as the recipient party shall have specified by prior written

notice to the sending party. Any notice or demand under this Agreement will be deemed to have been given when received.

16. SEVERABILITY. This Agreement and each provision hereof shall be valid and enforced to the fullest extent permitted by law. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision. Without limiting the generality of the foregoing, if the scope of any provision contained in this Agreement is too broad to permit enforcement to its fullest extent, such provision shall be enforced to the maximum extent permitted by law, and the parties hereby agree that such scope may be judicially modified accordingly.

17. COMPLETE AGREEMENT. This Agreement and those documents expressly referred to herein embody the complete agreement and understanding among the parties and supersede and preempt any prior understandings, agreements or representations by or among the parties, written or oral, which may have related to the subject matter hereof in any way.

18. COUNTERPARTS. This Agreement may be executed in separate counterparts, each of which shall be deemed an original and all of which taken together shall constitute one and the same agreement.

20. REMEDIES. Each of the parties to this Agreement will be entitled to enforce its rights under this Agreement specifically, to recover damages by reason of any breach of any provision of this Agreement and to exercise all other rights existing in its favor. The parties hereto agree and acknowledge that money damages may not be an adequate remedy for any breach of the provisions of this Agreement and that any party may, in its sole discretion, apply to any court of law or equity of competent jurisdiction for specific performance and/or injunctive relief in order to enforce or prevent any violations of the provisions of this Agreement, without the necessity of posting bond or any other security.

21. WAIVER OR MODIFICATION. Any waiver or modification of any of the provisions of this Agreement shall not be valid unless made in writing and signed by the parties hereto. A waiver by either party of any breach of this Agreement shall not operate as a waiver of any subsequent breach.
